USER PERSONA

Name

RAHUL

Age

18

Gender

Male

Location

TAMILNADU, INDIA

Occupation

Travel Blogger & Cultural Explorer

Background

Rahul is passionate about exploring historical places, monuments, and different cultures. Before visiting a destination, he likes to learn about its history and significance. He often relies on travel blogs, documentaries, and online articles, but finds historical information scattered across multiple sources.

PERSONAL

Characteristics

- Curious and adventurous
- Loves exploring history and culture
- Tech-savvy and active on social media
- Enjoys visual storytelling
- Lifelong learner

Hobbies and Interests

- Traveling to historical places
- Photography
- Watching history documentaries
- Reading travel blogs
- Visiting museums and heritage sites

GOALS

Primary goals

- Learn the history of places before visiting
- Discover hidden historical stories
- Explore monuments and cultural landmarks
- Plan meaningful travel experiences
- Share historical insights through travel content

Motivations

- Wants reliable historical information in one place
- Enjoys learning through maps, images, and videos
- Likes interactive timelines to understand events
- Wants to connect historical events with real locations
- Prefers engaging and visual learning experiences

CHALLENGES

Main pain points

- Historical information is scattered across websites
- Difficult to find reliable sources
- Long articles take too much time to read
- Hard to understand the historical significance of places

Frustrations

- Most travel apps focus only on navigation
- History websites lack interactive content
- Too much text and too few visuals
- No easy way to explore related historical events
