USER PERSONA

A QUICK PROFILE OF YOUR TARGET AUDIENCE

Name

AKALYA A

Age
19

Gender
Female

Location
TAMIL NADU, INDIA

Occupation
UPSC ASPIRANT

Background

Akalya is a dedicated UPSC aspirant preparing for competitive examinations. He studies history every day using textbooks, online lectures, and educational websites. He often struggles to remember historical dates and understand the sequence of events. He prefers visual learning methods that make revision faster and more engaging.

PERSONAL

Characteristics

- Goal-oriented and disciplined
- Curious about history and current affairs
- Comfortable using digital learning platforms
- Prefers visual learning over lengthy reading
- Consistent and self-motivated learner

Hobbies and Interests

- Reading history and current affairs
- Watching educational documentaries
- Visiting museums and historical sites
- Exploring historical facts online

GOALS

Primary goals

- Crack the UPSC examination
- Understand historical events chronologically
- Revise important topics quickly
- Improve memory retention
- Score higher in the History section

Motivations

- Wants an easier way to remember historical events
- Prefers interactive timelines instead of plain text
- Enjoys learning through maps, images, and videos
- Wants quick revision before exams
- Seeks an engaging and organized study experience

CHALLENGES

Main pain points

- Difficult to remember historical dates
- Long chapters are overwhelming
- Hard to connect related historical events
- Information is scattered across multiple sources

Frustrations

- Existing apps are mostly text-heavy
- Finding reliable information takes time
- Revision becomes difficult before exams
- Lack of interactive learning features
