USER PERSONA

Name

INIKA S

Age
17

Gender
Female

Location
TAMIL NADU, INDIA

Occupation
College Student (B.SC 1 Year)

Background

Inika is a college student who studies history for academic projects, competitive exam preparation, and general knowledge. He prefers learning through visual content such as timelines, videos, and infographics instead of reading lengthy articles. He uses educational apps and online resources to learn efficiently.

PERSONAL

Characteristics

- Curious and analytical
- Tech-savvy
- Fast learner
- Self-motivated
- Enjoys visual learning

Hobbies and Interests

- Watching educational videos
- Reading about world history
- Participating in quizzes
- Exploring museums and historical sites
- Learning through mobile apps

GOALS

Primary goals

- Understand historical events clearly
- Complete college assignments and projects
- Improve general knowledge
- Learn history in an engaging way
- Revise topics quickly before exams

Motivations

- Wants simple and interactive learning
- Prefers timelines over long paragraphs
- Enjoys learning with images, maps, and videos
- Looks for quick summaries and quizzes
- Wants easy access to reliable historical information

CHALLENGES

Main pain points

- History topics are text-heavy
- Difficult to remember dates and timelines
- Information is scattered across different websites

Frustrations

- Long articles reduce interest
- Difficult to find concise study material
- Lack of visual learning tools
