USER PERSONA

Name

RESHMA

Age
18

Gender
FEMALE

Location
TAMILNADU, INDIA

Occupation
HISTORY ENTHUSIAST

Background

Reshma is passionate about history and enjoys exploring ancient civilizations, historical events, and cultural heritage. He regularly reads books, watches documentaries, and visits museums to expand his knowledge. He prefers learning through interactive visuals rather than long articles and likes discovering connections between historical events.

PERSONAL

Characteristics

- Curious and passionate
- Analytical thinker
- Tech-savvy
- Detail-oriented
- Lifelong learner

Hobbies and Interests

- Reading history books
- Watching documentaries
- Visiting museums and heritage sites
- Exploring historical monuments
- Listening to history podcasts

GOALS

Primary goals

- Explore historical events in chronological order
- Discover connections between people, places, and civilizations
- Learn lesser-known historical facts
- Expand knowledge through visual storytelling
- Share historical insights with others

Motivations

- Loves discovering historical stories
- Prefers interactive timelines over plain text
- Enjoys learning with maps, images, and videos
- Wants all historical information in one platform
- Likes exploring different cultures and civilizations

CHALLENGES

Main pain points

- Historical information is scattered across multiple websites
- Difficult to verify reliable sources
- Long articles reduce engagement
- Hard to connect related historical events

Frustrations

- Existing platforms lack interactive exploration
- Limited visual content and maps
- No easy way to navigate through different historical periods
